

# Cowboy Poetry & Music in the Schools

## FEE INFORMATION

### Assembly Program:

**Total Cost \$600**

**School Cost \$300**

All group members are included in the assembly. All performers receive \$100 for doing two assemblies, so the two assemblies at a school costs \$600. Schools must book the two assemblies on the same day between 8:00 a.m. and 12:00 p.m. If a school only wants one assembly it will cost \$600. Assemblies are 45 minutes in length, sometime a school only has time for 30 minutes but performers must not run overtime!

### Workshops:

**Total Cost \$150**

**School Cost \$75**

One group member conducts a workshop. Workshops are 45 minutes in length. Workshops must be done in groups of three with 20 minutes in between. They are done after the Assembly or on another day in the same week as the assembly. There must be at least 20 minutes between workshops so performers can pack up and go to another room. Limit is one class per workshop, so that the artist may have personal time with each child.
